Gentlemen:

I applaud you for investigating and airing the claim of verbal assault perpetrated by employee(s) at Pinecrest Daycare. Nothing is more important than the safety of those who are most vulnerable. As the nation watched in horror, many young children died due to neglectful daycare workers last summer. We know that in the past 10 years, at least 6 daycare facilities across the nation have been shut down due to abusive daycare workers who poisoned the children with Benadryl. Now, parents in Nacogdoches, who would never have thought that this type of behavior or verbal battery would be perpetrated against their child, have had their blinders taken off. Small cities are not immune to negligent or abusive daycare workers. Perhaps this story will prompt the parents of Nacogdoches to investigate daycare facilities more thoroughly and demand that video cameras be placed in every room to monitor the actions of the caretakers and the children--for everyone's safety. In fact, experts agree that if the facility doesn't have a camera in every room, do not place your child in that facility. Again, thank you.

Thanks Wade for the coverage of the Fill The Buss. I am glad area residence could be made aware of the need for some for such basic things as school supplies for the children. It is a very worthy cause. It was a pleasure to be apart of it and look forward to helping again next year. Again, thank you so much for helping make the community more aware of the need.

Wade,

Hi! I am With the Humane Society of Greater Dallas, Cruelty Division. I had heard and read about the story about the cats deceased. I was contacted by someone from the ASPCA in New York about the case. I have contacted Crockett Police and Offered them anything I could do to help them with the case. I called the ASPCA back with all the information that I was able to get from the Police.

So basically I just wanted to say thanks for getting the story out there. And if I could be of any assistance to you during the investigation please contact me...

But thanks again for caring for the Animals,

MR WADE:

I BELIEVE IT WAS YOU WHO DID THE VIDEO TAPING AND REPORT OF JUSTIN FUNERAL. FRIENDSHIP HARBOR CHURCH. SEBASTOPOL, TEXAS

I AM THE "OLE" BOSSY LADY TO TOLD YOU TO KEEP YOUR CAMERA ON BACK WALL. REMEMBER? I AM SURE YOU DO CAUSE I WAS A BIT ABRASIVE TOWARD YOU. THIS IS ONE REASON I AM EMAILING YOU.

I WANT TO HUMBLY APOLOGIZE TO YOU FOR MY ABRASIVENESS. I OWE THIS APOLOGY TO YOU.

THERE WAS NO REASON FOR MY ACTIONS TOWARD YOU. I AM SO VERY SORRY. PRAYERFULLY, I HOPE YOU DON'T REMEMBER MY ACTIONS (DUH ON ME) TOWARD YOU, BUT IT HAS BOTHERED ME AND I SHOULD OF SENT THIS APOLOGY LONG BEFORE NOW.

' CAUSE AT THE TIME, I FELT THAT (WHAT I CALL) "TINGE" IN MY HEART WHEN I SPOKE TO YOU IN THAT MANNER.

PLEASE KNOW, I AM SO VERY SORRY.

I DO NOT EVER WANT TO HAVE THE ATTITUDE OF A SELF RIGHTEOUS CHRISTIAN. THAT IS NOT ME. I AM JUST AN OLE LADY TRYING TO LIVE EVERY DAY AS WOULD BE PLEASING TO GOD. I MAKE PLENTY OF MISTAKES AND I HAVE TO CRAWL LIKE A LITTLE CHILD, BACK TO JESUS AND ASK FOR FORGIVENESS.

THE OTHER IMPORTANT THING ON MY MIND IS I JUST WANT TO SAY WHAT A WONDERFUL REPORT YOU DID.

AND YOU WERE SO POLITE AND COURTEOUS. NOTHING LIKE ANY REPORTER I HAVE MET IN THE PAST 50 YEARS. YOU ARE A VERY IMPRESSIVE AND IMPORTANT ASSET TO KTRE. THEY OUGHT TO KNOW THEY ARE BLESSED TO HAVE YOU AS THEIR REPRESENTATIVE.

PERSONALLY, I FEEL, WITH YOUR MANNERISM AND LOOKS, YOU NEED TO BE "IN FRONT" OF THE CAMERA AND NOT BEHIND.

WELL, I AM SORRY TO BE SO LONG WINDED, BUT MY HEART WAS HEAVY WITH GUILT OF MY ACTIONS TOWARD YOU AND I HAD TO LET YOU KNOW HOW SORRY I AM.

SINCERELY,

I would like to compliment you and KTRE for excellent coverage on Hurricane Claudette.

This summer my husband and I were asked to be gatekeepers at Mill Creek Park. We are from Angleton, TX, and began using the Houston TV stations websites as our "information source". Quickly, because of watching you nightly, we logged on to ktre.com. My compliments. I honestly feel the ktre website was much more helpful; and i am certain it provided us with much more knowledge than all the Houston sites combined.

I sincerely thank you for and KTRE for the excellent coverage.

Remember me I wrote you earlier in the season asking why San Augustine doesn't get as much recognition as other teams. I commend you and your crew for continuing to follow the Wolves all the way to the 'SHIP!! Continue to support DISTRICT 23-AA, who made your words true that you stated at the beginning of the season; THE TUFFEST DISTRICT IN EAST TEXAS (Maybe in the whole state)!!! Oh yea if you don't mind could you mention that this is the farthest a San Augustine class 2AA has ever been. Saturday night the wolves made SAHS history!!!!

Thanks

Gentlemen:

I applaud you for investigating and airing the claim of verbal assault perpetrated by employee(s) at Pinecrest Daycare. Nothing is more important than the safety of those who are most vulnerable. As the nation watched in horror, many young children died due to neglectful daycare workers last summer. We know that in the past 10 years, at least 6 daycare facilities across the nation have been shut down due to abusive daycare workers who poisoned the children with Benadryl. Now, parents in Nacogdoches, who would never have thought that this type of behavior or verbal battery would be perpetrated against their child, have had their blinders taken off. Small cities are not immune to negligent or abusive daycare workers. Perhaps this story will prompt the parents of Nacogdoches to investigate daycare facilities more thoroughly and demand that video cameras be placed in every room to monitor the actions of the caretakers and the children--for everyone's safety. In fact, experts agree that if the facility doesn't have a camera in every room, do not place your child in that facility. Again, thank you.

You might have read in "Sound-Off" in the Lufkin Daily News a big, heartfelt thanks to them for their coverage of the Garrison Bulldogs. I called that in, and the message was to them AND to you at KTRE. I called about them about this, but nothing was ever printed. Therefore, I am taking this opportunity to express sincere thanks from all the Bulldog fans to you for going "above and beyond" in your coverage, support and enthusiasm.

Shawn! Thousands of apologies. And I ask for your forgiveness for the previous e-mail. The news coverage On the "DOGS" WAS WONDERFUL , VERY GOOD AND VERY PROFESSIONAL. I especially liked the part where you ran the scores across the bottom of the screen before the newscast. You see, we attended the game, but left only seconds before games end. We thought, maybe Rodgers had won, because it was so close, tied up. THANK YOU VERY MUCH FOR THE COVERAGE! SHAWN & DONOVAN keep up this kind of good work..... Harold Williams

I finally got a chance to see the jack of the week tape, because I missed it due the holidays. I thought it was pretty cool what you and Donovan did. My family will really enjoy that. I got more publicity here than I did back at home and I appreciate that. You know I'm not the type to be in the lime light all the time if at all, but it feel good to see yourself on television doing well. Thanks again and good luck on everything else.

Lee,

Hi, my name is Kimberly Crawford from Nacogdoches, and I thought I'd write you a few compliments. First I want to tell you that you are great at weather! I watch the news every night, and when you give the forecasts I know I can count on you to be full proof with it. Anyway, I read some information about you on the KTRE website and I can't beleive that you aren't a taken man! I bet you have women calling all the time. Anyway, you are a great weatherman, and I appreciate what you do for a living. You put in alot of time and effort for all of us around here. Thanks.

Kim

Dear Lee,

I want to thank you and Katie for the information you gave during the storm yesterday. I was home alone with my 1 year old and very scared. I realized the intensity of the storm from the Weather Channel, but that did not tell me cities the storm was near or show radar until the scheduled time on the 8s.

I turned to KTRE and saw the radar and heard the cities involved. You and Katie kept me informed and I thank you.

Sincerely,

Nicole Preston
